6/24/15 RCRC Chair Lee Adams leads a meeting at the Downieville Masonic Hall

Editor: As readers of your esteemed periodical know from last week's edition, the Rural County Representatives of California (RCRC) recently held their annual chair of the board meeting in Sierra County. All attending had a great time at the scheduled stops but to a person were also touched by the hospitality and welcome manner that all in Sierra County showed.

While none involved that call Sierra County home were surprised by our communities' kind nature, we were none the less proud.

Many make such an event happen and the following made this one most special. On behalf of all my Sierra County board colleagues, I wish to extend our sincere appreciation to Paul and Sheri Roen, Peter Huebner, Tim Beals, Bryan Davey, Miriam Dines, Mark Helm, Lee Brown, Steve Folsom, Darcy White, Patty Hall, Will and Jean Clark, Kaylon Hall, Sierra Folsom, Kayla Wharton, Mike Burns, James Grey, Robin Bolle, Mary Nourse, Bill Copren, Diane Bruns, Rana Hunt, Janis Hunt Boucher, Tom Hunt, Arnold Mitchum, Kaisa McDonald, and all the staff of the Sardine Lake Resort.

Many attendees look forward to returning to the county to share this special place with their families and many expressed a desire to return as a group. Again, my thanks.

LEE ADAMS, Downieville, 2015 RCRC Board Chair
