

Good afternoon,

In light of the tragedies and extreme hardship caused by the recent wildfires in the northern part of the state, CalPERS is working with the Office of Emergency Services to provide information and assistance with CalPERS-related matters for those impacted by the fires.

The Office of Emergency Services has set up a Local Assistance Center in Redding, CA. CalPERS currently has team members available and ready to assist our members in any way we can. **We ask that you please forward this to any parties impacted by the wildfires who may benefit from this information.**

Local Assistance Center Information:

Dates: August 2-8, 2018

Hours: 0900-1900

Location: Shasta High School
2500 Eureka Way
Redding, CA 96001

Additional Information: Wi-Fi – Strong broadband at this location

Sincerely,

Jamie Pope
