Auburn, CA 95603

Dear Ms. Avery:

On behalf of the Rural County Representatives of California (RCRC), I am writing to congratulate you on your new position as the next Executive Officer of the Sierra Nevada Conservancy (SNC). RCRC is an association of thirty-six rural California counties, and the RCRC Board of Directors is comprised of elected supervisors from those member counties.

Our organizations share a long history of collaboration and partnership working within the Sierra Nevada Region on forest and watershed issues that profoundly impact our member counties. Twenty of the twenty-two counties within SNC's jurisdiction are members of RCRC, making it incumbent upon RCRC to ensure that the goals and objectives of SNC remain as consistent as possible with the policies of our member counties and their communities. We also recognize that there is much work left to be done and look forward to continuing our partnership under your leadership well into the future.

RCRC once again congratulates you on your new position and looks forward to working with you on the issues with the greatest impact on the Sierra Nevada Region. If you should have any questions or concerns about RCRC, please do not hesitate to contact me at gnorton@rcrcnet.org or (916) 447-4806.

Sincerely,

GREG NORTON
President and CEO
