REPORT MUST BE SUBMITTED ONLINE BY:
APRIL 1 FOR APPROPRIATIVE RIGHTS, REGISTRATIONS, AND STOCKPONDS
JULY 1 FOR STATEMENTS AND GROUNDWATER RECORDATIONS

Based on ownership information you previously submitted, the State Water Resources Control Board, Division of Water Rights determined that you are the Primary Owner or Agent for the water right(s) listed on the following page(s).

California law requires that all water right holders submit an online report detailing their 2018 water use. Reporting is mandatory even if you did not divert and use water during 2018.

Submit your report online by logging into: <https://rms.waterboards.ca.gov> with the User ID and Password listed on the reverse page(s). A separate report must be filed for each water right you own or manage: do not combine information for multiple water rights on one report.

Failure to file the report by the appropriate deadline is a violation of the California Water Code. You may be held liable for a monetary penalty of \$500 per day for each day the report is not filed. The State Water Resources Control Board thanks you for your attention to completing your report(s) on time.

If you are no longer the legal owner of the water right(s) listed, you must inform the Division of Water Rights of the change of ownership and provide the appropriate contact information. Please file a Change Request Form available at: www.waterboards.ca.gov/dwr-changerequest to notify us of any changes.

If you have questions or concerns, please contact the Division of Water Rights by email at: rms@waterboards.ca.gov or by phone at: (916) 341-5431.

Sincerely,

Eloise Berryman, Manager
Reporting and Data Management Unit
